

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on May 28, 1998

NOTICE OF ACTION TAKEN -- DOCKET OST-97-3195

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Applicant: **Aeronautica Venezolana, C.A.**

Date Filed: December 2, 1997, as amended

Relief requested: Exemption from 49 U.S.C. 41301 to conduct charter foreign air transportation of property and mail between Venezuela and Miami, FL, and other all-cargo charters pursuant to 14 CFR 212 of the Department's regulations, using aircraft wet-leased from a duly authorized and properly supervised U.S. or foreign carrier.

If renewal, date and citation of last action: New authority

Applicant representative: Marshall Sinick 202-626-6651

Responsive pleadings: None

DISPOSITION

Action: Approved

Action date: May 28, 1998

Effective dates of authority granted: May 28, 1998 - May 28, 1999

Basis for approval (bilateral agreement/reciprocity): Reciprocity

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

☒ Standard exemption conditions (attached) ☐ Foreign air carrier permit conditions (Order - -)

Remarks: We also found, based on the record, that the applicant is operationally and financially qualified to conduct the proposed services, as conditioned; that it is properly licensed; and that it is substantially owned and effectively controlled by citizens of Venezuela. The FAA has advised us that, so long as Aeronautica Venezolana's authority is limited to use of aircraft and crews wet leased from carriers from the United States or a country that has been found to meet ICAO standards regarding aviation safety oversight by the FAA, it knows of no reason why we should act unfavorably on the carrier's application.

Special conditions: (1) In the conduct of the services authorized, Aeronautica Venezolana may use only aircraft wet leased from a duly authorized and properly supervised U.S. or foreign air carrier that receives requisite authority under the provisions of 14 CFR 207, 208 or 212 of the Department's regulations; (2) in keeping with our policy in granting Venezuelan carriers charter authority, Aeronautica Venezolana shall not perform any Third or Fourth Freedom charters unless specific authority in the form of a statement of authorization for such charter(s) has been granted by the Department. Aeronautica Venezolana shall file applications for such statements of authorization at least 30 days before the charters

involved, pursuant to the procedures set forth in 14 CFR 212.5; *provided* that applications involving all-cargo charters may be filed up to ten (10) calendar days before the flights.¹

Action taken by: Paul L. Gretch, Director
Office of International Aviation

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

¹ We note that, under 14 CFR 212.4, all foreign carriers are required to obtain a statement of authorization to engage in Fifth Freedom charter flights to and from the United States.
